## SUMMARY

25X1

This installation is located approximately 13 kilometers (km) north of Novocherkassk and 2 km northeast of Krasnyukovskaya (Figure 1). It occupies approximately 20 acres and contains 2 probable barracks, 4 storage buildings, 10 miscellaneous support buildings, and 1 probable sentry tower. One probable building appears to be under construction in the northern half of the installation (Figures 2 and 3).

[redacted] missions [redacted] covered the area. The only discernible activity was the presence of numerous unidentified pieces of equipment in the vicinity of the storage buildings [redacted].

Since this possible military site is in close proximity to a large training area, it may provide maintenance support.
